

TERMS OF THE SUPPLIER REGISTRATION PAGE

Confidentiality: By registering to this portal, the Supplier acknowledges to keep the transactions between them and Nurol Holding Inc. and Enterprises Group (“Nurol”) and the transferred information confidential, and to protect the username and password provided to them. Additionally, the Supplier accepts that the information they provided can be stored and processed by Nurol.

Relinquishment: The Supplier accepts that they notified that the information they provided will be used for evaluation, and this registration does not guarantee to provide products and services to Nurol and it does not provide Nurol with any obligation.

Amendment: Nurol has the right to update these Terms and Conditions and its policies at any time without a notification.

I hereby declare that I am authorized to provide the information that I entered to the supplier portal and the information that I provided is correct, and I hereby acknowledge and accept that in case the information that I provided were incorrect or deficient, Nurol may deny my access without any notification.
